

2017 Heidi Potter Clinic Series @ Wild Side Ranch

Ride into Summer with more Joy!
~~Improve Communication, Confidence, & Comfort~~

All Levels of Riders, Disciplines & Breeds Welcomed!

Changing Unwanted Behaviors-Friday, June 23

This clinic offers a thoughtful, non-abusive, positive approach to dealing with undesirable behaviors on the ground and under saddle. Learn training techniques designed to safely and progressively open a pathway of communicating with your horse. Examples: Fears/phobias of obstacles, fly spray, trailer loading, receiving shots, etc. Trouble giving hooves, lowering head for halter/bridling, standing for tacking or mounting, cinchy/girthy, mouthiness, etc.

Centered Riding/Horsemanship Clinic-Saturday/Sunday, June 24-25

This clinic is designed for equestrians of all levels & styles of riding. Whether you are a seasoned competitor, a walk/trot pleasure rider or a gaited horse lover, this clinic will inspire you! Learn skills to create a more trusting, enjoyable relationship. Improve your overall comfort, confidence & balance in the saddle. Your horse will love you for it!

Private/Semi-Private Sessions-Monday, June 26

Your choice: Centered Riding, Obstacles, Problem Solving, Mounted or Ground Work Session
